Appointment to the Board of Leopardstown Park Hospital for persons with experience in Engineering/construction/architecture – November 2014

Information Note

In accordance with the Government's decision to widen the opportunity for board membership of State Bodies, the Minister for Health, Leo Varadkar, invites expressions of interest from suitably qualified and experienced persons interested in being appointed to fill vacancies that have arisen on the Board of Management at Leopardstown Park Hospital.

Leopardstown Park Hospital Board of Management– Background Information

Leopardstown Park Hospital (LPH) was established under a Deed of Trust in 1917 to provide residential care for officers and men disabled or invalided during service with the United Kingdom armed forces living in Ireland.

The administration of the hospital has substantially changed since then. In 1979 the LPH Board Establishment Order was signed. This provided for the establishment of a Board of Management which took over responsibility for the administration of the hospital under licence from the Trustees.

The functions of the Board are to conduct and manage the hospital; to provide such services and facilities at the hospital as may, from time to time, be approved by the Health Service Executive, after consultation with the Board; and to provide for the maintenance of the hospital.

Skills, experience and other requirements of Board Members

Members of the Board perform key roles in relation to the direction, leadership and corporate governance of the hospital. Expressions of interest in serving as a Member are being sought from persons with relevant skills and knowledge in:

- *Engineering / construction / architecture experience.*

It would be desirable that Members would also have Human Resources and Corporate Governance experience.

The initial term of office for the appointed Board member shall not exceed 4 September 2015. Members may be re-appointed by the Minister for another term.

Fees and Expenses

No fees are paid to Board members. Travel and subsistence expenses arising from the business of the Board are payable in accordance with rates laid down by the Minister for Public Expenditure and Reform.

Selection

PAS are committed to the principles of appointments based on merit with independent assessment, openness and transparency of process. PAS is also committed to equality of opportunity and welcome application forms from all suitably qualified applicants.

The Process may include:

- shortlisting on the basis of the information contained in the applications;
