stateboards.ie operates under the auspices of the Public Appointments Service and is committed to a policy of equal opportunity.

The Public Appointments Service (PAS), established under statute in 2004, provides an independent shared service in recruitment, assessment and selection to organisations across the Civil and Public Services. On 30 September 2014, the Government decided that the PAS should also be given responsibility for putting in place an open, accessible, rigorous and transparent system to support Ministers in making appointments to State Boards. Our dedicated website, www.stateboards.ie, is the channel through which the PAS advertises vacancies on State Boards. It is also the means through which accomplished, experienced and qualified people, including people who might not previously have been identified as available for appointment, can then apply to be considered for particular vacancies.

Membership of State Boards

High standards of corporate governance in all State Agencies, whether in the commercial or non-commercial sphere, are critical to ensuring a positive contribution to the State's overall social and economic development.

Members of State Boards are appointed to act on behalf of the citizen to oversee the running of the affairs of state bodies. State bodies must serve the interests of the taxpayer, pursue value for money in their endeavours (including managing risk appropriately), and act transparently as public entities. Members of State Boards, and the relevant management team, are accountable for the proper management of the organisation.

Board members should act on a fully informed basis, in good faith, with due diligence and care, and in the best interest of the State body, subject to the objectives set by Government.

The [Code of Practice for the Governance of State Bodies](#) provides a framework for the application of best practice in corporate governance by both commercial and non-commercial State bodies.

In order to be an effective contributor on a State Board it is recommended that members should:

- bring independent and objective scrutiny to the oversight of the organisation;
- be prepared to be challenging when necessary while being supportive to the delivery of organisational strategy and objectives;
- be equipped to offer considered advice on the basis of sound judgement and experience;
- be prepared to make a time commitment to their work commensurate with their role.

1. Background

The New Economy Recovery Authority ("**NewERA**")¹, in conjunction with the Public Appointments Service ("**PAS**"), wishes to identify suitable candidates for consideration by Government for appointment as members of the board of Ervia (the "**Board**").

Expressions of interest are now sought from suitably qualified candidates for consideration as part of this process.

Ervia, a commercial State body, is the parent entity of:

- Gas Networks Ireland ("**GNI**") the company that owns and operates the gas transmission and distribution network; and
- Irish Water ("**IW**"), the company which is responsible for the operation and management of the water services network in Ireland and provision of related water services.

Find out more about Ervia at: www.ervia.ie

As Ervia and its main subsidiaries are established under statute applicants should also note that the principal governance arrangements between the State and Ervia and its subsidiaries (the "**Group**") are set out in legislation, with relevant Ministers given various functions in relation to the Group.

¹ The role of NewERA is to provide independent commercial and financial advice to the relevant Ministers in relation to the exercise of specific functions, including, pursuant to Section 19 of the National Treasury Management Agency (Amendment) Act "the appointment of the chairperson, members, directors or chief executive of the designated body", with Ervia being one of the designated bodies. Further detail on NewERA's activities is set out in Part 3 of the National Treasury Management Agency (Amendment) Act 2014 and in the annual reports of the National Treasury Management Agency (www.ntma.ie).

2. Functions of the Board

The Board will take all significant strategic decisions and retain full and effective control of the Group while delegating day to day responsibility for leadership and control, within defined authority limits, to the boards of the subsidiaries (comprising senior management from Ervia and the relevant subsidiary) and senior management, as appropriate.

The following matters currently reserved for Board approval include:

- Approval of the corporate plan;
- Annual report and financial statements;
- Treasury policy;
- Enterprise risk management policy;
- General tendering and purchasing procedures;
- Review of effectiveness of system of internal control;
- Annual budget;
- Delegated expenditure authorisation levels including terms of major contracts;
- Code of conduct;
- Policy on determination of senior management remuneration;
- Appointment, remuneration and assessment of performance of the Chief Executive; and
- Significant amendments to pension benefits of the Chief Executive and staff (which may require Ministerial approval).

The "Code of Practice for the Governance of State Bodies" of May 2009 which provides a framework for the application of best practice in corporate governance by both commercial and non-commercial State bodies also sets out information on the role of board members.

The Board is assisted in its discharge of its responsibilities by a number of sub-committees of the Board, which include Risk, Audit & Finance, Remuneration and Investment/Infrastructure committees. Depending on a successful candidate's specific area of expertise, he/she will be expected to participate in one or more of these sub-committees.

3. Person Specification

The intention is that the Board will, collectively, have senior level experience in the water services industry, senior level energy infrastructure experience as well as expertise in areas such as corporate governance, regulation, legal and finance.

Expressions of interest are now invited from applicants who consider they possess the skills and experience necessary to join the Board and contribute to the development of Ervia and its subsidiaries.

Specifically one of the candidates now being sought should have senior level experience (either at board level or at a senior operational level) in the water utility sector (ideally with international water utility experience).

Candidates for the other two vacancies should have experience in one (or more) of the following areas:

- Senior level role(s), in a large organisation, with an understanding of the issues involved in the development and upgrading of existing, and the build-out of new infrastructure;

- Senior level role(s) in a large organisation with legal and/or regulatory expertise ideally gained within a utility sector; and

If you have any questions regarding the application process please email info@stateboards.ie.

6. Assessment Process

An Assessment Panel (the "Panel") will be convened by PAS to consider and assess the expressions of interest received by PAS. The Panel will:
