stateboards.ie operates under the auspices of the Public Appointments Service and is committed to a policy of equal opportunity.

The Public Appointments Service (PAS), established under statute in 2004, provides an independent shared service in recruitment, assessment and selection to organisations across the Civil and Public Services. On 30 September 2014, the Government decided that the PAS should also be given responsibility for putting in place an open, accessible, rigorous and transparent system to support Ministers in making appointments to State Boards. Our dedicated website, www.stateboards.ie, is the channel through which the PAS advertises vacancies on State Boards. It is also the means through which accomplished, experienced and qualified people, including people who might not previously have been identified as available for appointment, can then apply to be considered for particular vacancies.

Membership of State Boards

High standards of corporate governance in all State Agencies, whether in the commercial or non-commercial sphere, are critical to ensuring a positive contribution to the State's overall social and economic development.

Members of State Boards are appointed to act on behalf of the citizen to oversee the running of the affairs of state bodies. State bodies must serve the interests of the taxpayer, pursue value for money in their endeavours (including managing risk appropriately), and act transparently as public entities. Members of State Boards, and the relevant management team, are accountable for the proper management of the organisation.

Board members should act on a fully informed basis, in good faith, with due diligence and care, and in the best interest of the State body, subject to the objectives set by Government. In that regard and in accordance with 13.2 of the Guidelines on Appointments to State Boards, "it is advisable that no member of a State Board should serve more than two full terms of appointment or should hold appointments to more than two State Boards."

The [Code of Practice for the Governance of State Bodies](#) provides a framework for the application of best practice in corporate governance by both commercial and non-commercial State bodies.

In order to be an effective contributor on a State Board it is recommended that members should:

- bring independent and objective scrutiny to the oversight of the organisation;
- be prepared to be challenging when necessary while being supportive to the delivery of organisational strategy and objectives;
- be equipped to offer considered advice on the basis of sound judgement and experience;
- be prepared to make a time commitment to their work commensurate with their role.

1. Background and functions of the Board

The [Pyrite Resolution Act 2013](#) (No. 51 of 2013) provided for the establishment of the Pyrite Resolution Board and for the making of a pyrite remediation scheme by the Board for certain dwellings affected by pyrite.

The Pyrite Resolution Board, which was first established on an administrative basis in early 2013, was placed on a statutory footing on 10 January 2014 when the *Pyrite Resolution Act 2013* came into effect. The Board is responsible for oversight, general direction and budgeting of the pyrite remediation scheme, under which the remediation programme is implemented by the Housing Agency. Additional information on the Pyrite Resolution Board can be accessed on the Board's website at www.pyriteboard.ie.

The pyrite remediation scheme, which first came into effect on 13 February 2014, was prepared in accordance with the provisions of the Act and is broadly reflective of the conclusions and recommendations of the [Report of the Pyrite Panel](#) (July 2012).

The principal functions of the Pyrite Resolution Board are set out in [Section 9](#) of the Act which provides, among other things, that the Board:

- make a scheme of pyrite remediation and direct and oversee its implementation;
- consider and determine applications for inclusion in the pyrite remediation scheme;
- determine certain appeals;
- provide information in relation to pyrite and significant pyritic damage; and
- prepare quarterly and annual reports.

In addition, under [Section 23](#) of the Act, the Board is responsible for the approval of budgets for expenditure in respect of the pyrite remediation scheme.

The Board may also give directions to the Housing Agency in relation to certain operational matters under the scheme, including the following -

- the testing, categorisation and verification of damage in respect of dwellings for which applications have been received under the scheme;
- the procurement of consultants, contractors and services and the appointment of appointment of consultants and contractors;
- budgetary matters and priorities under the scheme having regard to expenditure and progress;
- the preparation of progress reports on the implementation of the scheme; and
- liaising and making arrangements with scheme participants with regard to the remediation of their dwellings.

[Section 11](#) of the Act provides that the members of the Board shall be appointed by the Minister and shall be not fewer than four and not more than seven members.

The current composition of the Board is:

Name	First Appointed	Expiry Date	Position type
John O'Connor	10/01/2014	09/01/2017	Chair
Caroline Gill	10/01/2014	09/01/2017	Board Member
Matt Gallagher	10/01/2014	09/01/2017	Board Member
Sean Balfe	10/01/2014	09/01/2017	Board Member

2. Person Specification

Following an evaluation of the existing skills / experience mix on the Board, it was determined that it would be useful to appoint an additional member with expertise in the areas of structural/civil engineering, building remediation (with knowledge of pyrite remediation being a particular advantage) or project management. In light of the very technical nature of the Board's operations, these skillsets would complement the existing skills within the Board and would enhance the Board's decision making and oversight functions in the context of the implementation of the pyrite remediation scheme.

Consequently, the Minister for Environment, Community and Local Government invites expressions of interest for membership of the Pyrite Resolution Board from candidates who are qualified building professionals with extensive experience at a senior level in one or more of the following areas: –

- structural/civil engineering;
- building remediation (with experience in pyrite remediation being a particular advantage);
- project management.

In addition to the required skills set out above, the following skills and experience would be considered advantageous: -

- good knowledge of risk identification / risk management in the context of buildings and construction works;
- experience of communications / public relations;
- previous experience of State Board membership or Company Directorship.

Please note that the assessment panel and/or the Minister will take into account any real or perceived conflicts of interest when making their assessment of the relative merits of each candidate.

3. Term of Appointment

Under the Act, appointments to the Board will be for an initial period of up to 3 years with a possible option to extend the term of engagement for a second term of 3 years, subject to:

- The membership of any member of the Board may be terminated by the Minister at any time, on the basis of reasons to be stated by the Minister.
- A member of the Board may resign his or her membership of the Board by notice in writing sent or given to the Minister, and the resignation shall take effect on the day on which the Minister receives the notice.
- Members of the Board shall, subject to the provisions of this Schedule, hold office upon such terms and conditions as the Minister may, with the consent of the Minister for Public Expenditure and Reform, from time to time determine.
- The roles and responsibilities of Board Members are described in the Code of Practice for the Governance of State Bodies 2009 which is available on the website of the Department of Finance ([Code of Practice for the Governance of State Bodies](#)).
- A board member shall cease to be a member of the board if he or she is nominated as a member of Seanad Éireann, is elected as a member of either House of the Oireachtas or as a representative in the European Parliament, elected to the European Parliament, or becomes a member of a local authority.
